----- X  
IN RE PFIZER INC. SECURITIES LITIGATION

No. 04-cv-9866 (LTS)(HBP)

ECF CASE

----- X

**ORDER APPROVING SETTLEMENT AND FINAL JUDGMENT**

WHEREAS, on December 21, 2016, a hearing was held before this Court to determine: (1) whether the terms and conditions of the proposed settlement (the "Settlement") of the above-captioned action (the "Action") as set forth in the Stipulation and Agreement of Settlement dated August 26, 2016 (the "Settlement Agreement") are fair, reasonable and adequate for the settlement of all claims asserted by Plaintiffs, on behalf of themselves and the Court-certified Class, against the Defendants in this Action and in the best interests of the Class, including the release of the Defendants and the other Releasees as defined in the Settlement Agreement, and should be approved; and (2) whether a judgment should be entered dismissing the Action with prejudice in favor of the Defendants;

WHEREAS, it appearing that a Notice of the Settlement and the hearing substantially in the form approved by the Court was mailed to all persons and entities reasonably identifiable who purchased or otherwise acquired the common stock of Pfizer Inc. between and including October 31, 2000 and October 19, 2005, and that a Publication Notice of the Settlement and the hearing substantially in the form approved by the Court was published in *The Wall Street Journal* and *The New York Times* and transmitted over PR Newswire pursuant to the specifications of the Court;

WHEREAS, the Court has reviewed and considered the Settlement Agreement, all papers filed in connection with the Settlement and all matters submitted to it at the hearing, all oral and written comments received regarding the Settlement, and the record in the Action, and good cause appearing therefor; and

WHEREAS, all objections to the Settlement have been considered by the Court, and the Court has overruled all such objections;

**NOW, THEREFORE, IT IS HEREBY ORDERED**, as follows:

1. For purposes of this Judgment, all capitalized terms used herein have the meanings as set forth and defined in the Settlement Agreement.

2. The Court has jurisdiction over the subject matter of the Action and over all Parties to the Action, including all members of the Class.

3. Pursuant to and in accordance with the requirements of Rule 23 of the Federal Rules of Civil Procedure, the Settlement as set forth in the Settlement Agreement is fully and finally approved and the Court finds the Settlement to be, in all respects, fair, reasonable and adequate, and in the best interests of the Class, and the Class Members. The Court further finds that the Settlement as set forth in the Settlement Agreement is the result of arm's-length negotiations between experienced counsel representing the interests of the Parties. The Parties are directed to consummate the Settlement Agreement in accordance with its terms and provisions.

4. The distribution of the Notice and the publication of the Publication Notice (i) were implemented in accordance with the Court's Preliminary Approval Order, (ii) constituted the best notice practicable under the circumstances and due and sufficient notice to all Class Members, and (iii) fully met the requirements of Rule 23 of the Federal Rules of

Civil Procedure, due process, the United States Constitution, § 21D(a)(7) of the Securities Exchange Act of 1934, 15 U.S.C. § 78u-4(a)(7), as amended by the Private Securities Litigation Reform Act of 1995, and all other applicable law and rules.

5. This Action and all claims contained therein, as well as all of the Released Plaintiffs' Claims, are hereby dismissed with prejudice. The Parties are to bear their own costs, except as otherwise provided in the Settlement Agreement.

6. The terms of the Settlement and of this Judgment shall be forever binding on Defendants, Plaintiffs and all Class Members (regardless of whether or not any individual Class Member submits a Claim Form or seeks or obtains a distribution from the Net Cash Settlement Amount). The persons and entities listed on Exhibit 1 hereto are excluded from the Class pursuant to request in connection with the previously disseminated Notice of Pendency of Class Action and are not bound by the terms of the Settlement Agreement or this Judgment.

7. Upon the Effective Date, Plaintiffs and all other Class Members, on behalf of themselves and their other Releasers, and anyone claiming through or on behalf of any of them, for good and sufficient consideration, shall be deemed to have, and by operation of law and of this Judgment shall have, fully, finally, and forever released, relinquished, settled, and discharged all Released Plaintiffs' Claims (including Unknown Claims) against each and every one of the Releasees.

8. Upon the Effective Date, Plaintiffs and each member of the Class and anyone claiming through or on behalf of any of them, are forever barred and enjoined from filing, pursuing, commencing, instituting, maintaining or continuing to prosecute any action or proceeding in any court of law or equity, arbitration tribunal, administrative forum, or other forum of any kind (whether within the United States or not) asserting any of the Released

Plaintiffs' Claims (including Unknown Claims) against any of the Releasees.

9. Upon the Effective Date, each and all of the Defendants, on behalf of themselves and their respective legal representatives, heirs, executors, administrators, predecessors, successors in interest, transferees and assigns, in their capacities as such, for good and sufficient consideration, shall be deemed to have, and by operation of law and of this Judgment shall have, fully, finally, and forever released, relinquished, settled, and discharged all Released Defendants' Claims against each and every one of the Plaintiffs' Releasees.

10. Notwithstanding paragraphs 7-9 above, nothing in this Judgment shall bar any action by any of the Parties to enforce the terms of the Settlement Agreement or this Judgment.

11. Only those Class Members who submit valid and timely Claim Forms shall be entitled to participate in the Settlement and to be eligible to receive a distribution from the Net Cash Settlement Amount. All Class Members shall, as of the Effective Date, be bound by the Releases set forth herein whether or not they submit a valid and timely Claim Form.

12. Except as otherwise expressly provided herein, neither the Settlement Agreement, nor any of its terms and provisions, nor any of the negotiations or proceedings connected with it, nor any of the documents or statements referred to therein shall be:

a. offered or received against Defendants for any purpose, including without limitation as evidence of, or construed as or deemed to be evidence of, any presumption, concession or admission by any of Defendants with respect to the truth of any fact alleged by Plaintiffs or the validity of any Claim that had been or could have been asserted against Defendants in the Action or in any litigation, or of any liability, negligence, fault, or wrongdoing of the Defendants;

b. offered or received against Defendants for any purpose, including without limitation as evidence of a presumption, concession or admission of any fault, misrepresentation or omission with respect to any statement or written document approved or made by any Defendant, or against Plaintiffs or any other Class Member as evidence of any infirmity in the claims of Plaintiffs or the other Class Members;

c. offered or received against Defendants or against Plaintiffs or any other Class Members for any purpose, including without limitation as evidence of a presumption, concession or admission with respect to any liability, negligence, fault or wrongdoing, or in any way referred to for any other reason as against any of the Parties to the Settlement Agreement, in any other civil, criminal or administrative action or proceeding, other than such proceedings as may be necessary to effectuate the provisions of the Settlement Agreement; provided, however, that Defendants may refer to them to effectuate the liability protection granted them thereunder;

d. construed against Defendants, Plaintiffs or any other Class Members for any purpose, including without limitation as an admission or concession that the consideration to be given hereunder represents the amount that could be or would have been recovered after trial; and/or

e. construed as or received in evidence as an admission, concession or presumption against Plaintiffs or other Class Members or any of them that any of their Claims are without merit or that damages recoverable under the Amended Complaint would not have exceeded the Settlement Amount.

13. The Court finds that during the course of this Action, no Party or its respective

counsel has been found to have violated Federal Rule of Civil Procedure 11.

14. Exclusive jurisdiction is hereby retained over the Parties and the Class Members for all matters relating to this litigation, including (i) the administration, interpretation, effectuation or enforcement of the Settlement Agreement and this Judgment, (ii) the disposition of the Settlement Fund, (iii) any award of attorneys' fees and expenses by Plaintiffs' Counsel in the Action or of reimbursement of Plaintiffs' costs and expenses, (iv) review and approval of the Plan of Allocation, and (v) the administration and distribution of the Net Cash Settlement Amount to the members of the Class.

15. Separate orders shall be entered regarding approval of a plan of allocation and the motion of Lead Counsel for an award of attorneys' fees and expenses and reimbursement of Plaintiffs' costs and expenses. Such orders shall in no way affect or delay the finality of this Judgment and shall not affect or delay the Effective Date of the Settlement.

16. If the Settlement is terminated as provided in the Settlement Agreement, the Settlement is not approved, or the Effective Date of the Settlement otherwise fails to occur, this Judgment shall be vacated, rendered null and void and be of no further force and effect, except as otherwise provided by the Settlement Agreement, and this Judgment shall be without prejudice to the rights of Plaintiffs, the Class Members and Defendants, and the Parties shall revert to their respective positions in the Action as of July 18, 2016, as provided in the Settlement Agreement.

17. There is no just reason to delay the entry of this Judgment as a final judgment in this Action. Accordingly, the Clerk of the Court is expressly directed to immediately enter this Judgment in this Action.

SO ORDERED.

**ENTERED** at New York, NY this 21st day of December, 2016.
